

My Safety Plan

If you find you/your family in danger, call 911 IMMEDIATELY!

- state your name
- state your address
- explain what is happening, share what you see

Go to a safe place, if possible. Remain in the safe place AND on the phone with the operator until help arrives. **DO NOT** hang up!

My home address:

Names & phone numbers of trusted relatives, neighbors, or friends I can call or go to for help

Name	Relationship	Phone Number

Hiding places and exits in our home (where parent can find child if separated)

Our agreed upon safety word, phrase, or gesture that can be used in times of danger to signal the use of your safety steps
